REQUEST FOR CERTIFICATE OF CORRECTION

We enclose, pursuant to the provisions of 37 C.F.R. §1.322, a Certificate of Correction for United States Patent No. 7,531,158. Please make the Certificate of Correction and the statements herein of record.

The corrections made to the above-identified United States Patent in the Certificate of Correction filed herewith are to correct mistakes at the fault of the Patent and Trademark Office according to 35 U.S.C. § 254 and 37 C.F.R. §1.322. This error is clearly disclosed in the records of this file. The original application as filed on Sept. 20, 2005 included the listed six claims submitted herewith. The Examiner found the claims to be allowable without an Office Action; however, the initial Notice of Allowability, dated January 2, 2009, incorrectly stated that claims “1-7” were allowed.

The Applicant noted this error in “Applicant’s Comments on Reasons for Allowance,” dated April 2, 2009, which specifically brought the error to the Examiner’s attention. In response, the Examiner sent a Supplemental Notice of Allowability, dated April 23, 2009, acknowledging the error and acknowledging that the application had only six claims. Nevertheless, when the patent issued on May 12, 2009, it issued incorrectly with seven claims.

The proposed corrections do not constitute such changes in the patent as would constitute new matter or would require re-examination.
